Approved For Release 2001/09/01 : CIA-RDP78-04072R000100050072-8

CONFIDENTIAL

25 MAY 1968

MEMORANDUM FOR : Suggestion Awards Committee
THROUGH : Chairman, Special Panel of the DD/P
SUBJECT : Suggestions Nos. 65-100 and 65-171

25X1A

1. The subject suggestions submitted by [REDACTED] have been carefully studied to enable me to make a recommendation for the Suggestion Awards Committee's consideration.

25X1A

25X1A

2. It is my opinion that the evaluations proposed [REDACTED] are germane and generally speaking represent my present attitude concerning this type of suggestion.

25X1A

3. The Technical Services Division employs both mechanical and electronic engineers whose major duty is to design [REDACTED]. It is my considered opinion that to use the Suggestion Awards mechanism to award an engineer for this type of effort is generally inappropriate.

25X1A

25X1A

4. I am fully aware of [REDACTED] contribution to the state of the art in designing and building this type of equipment. He should and will receive recognition for his outstanding efforts in this regard. I have instructed the Chief, TSD [REDACTED] to initiate the necessary administrative action to recognize [REDACTED] contribution by a quality step increase or an appropriate certificate and other emolument.
